EXECUTIVE SUMMARY

The Bureau of Justice Assistance announced the FY2013 Bulletproof Vest Partnership (BVP) grant, providing a maximum 50% reimbursement for each qualifying vest submitted under the grant. BVP funds may only be used to help defray the costs of vest makes and models approved by the National Institute of Justice (NIJ) on the date ordered, and only apply to vests ordered on or after April 1, 2013.

The Police Department applied for the grant on May 15, 2013, requesting \$10,050 to pay for 50% of 25 vests. The department was notified on October 3, 2013 that the City of Sugar Land had been awarded \$7,457.87. Adequate funding is available in the FY2014 budget for Support Services to compensate for the \$2,592 grant shortfall, as well as the required matching funds.

The Police Department requests that Council accept the FY2013 Bulletproof Vest Partnership grant, and authorize a budget amendment to revenues and expenditures in the amount of \$7,458. The budget amendment will be formally captured in the next budget ordinance that is brought forward for City Council consideration, which is anticipated to be in December.
